CONFIRMATION

DEKRA Assurance Services GmbH hereby confirms that the company

JENOPTIK Robot GmbH

Site: Opladener Straße 202,

40789 Monheim

was audited in the area of

Traffic Service Provision (TSP)

and that the company meets the specific requirements §9 and §11 of the Federal Data Protection Act in relation to the technical and organizational measures as well as the collection, processing or use of personal data.

All evidence (of conformity) was provided and reviewed during an onsite audit (visit) on 2015-10-28 and is documented in audit report A15091011 from 2015-10-29.

This confirmation (No. 991204019) is only valid under the premise that a successful surveillance audit is conducted every year.

Stuttgart, 2016-01-27
